The " Alpino di Stresa" Golf Club

Entering the clubhouse of the "Alpino di Stresa" club is like going back a hundred years, in the hall above the fireplace a set of hickory golf clubs is on display, in the corridor the photos of the people who made the club great and a showcase with the trophies, we see also the ranking of the 1st Italian Golf Open which was held here in 1925.

THE COURSE

The 9-hole course hasn't changed much since 1925, it's a course with several slopes that can make the difference, but playable even by inexperienced players. It's perfect for a hickory competition, since it's only a 9-hole course we'll play it twice in the tournament.

THE CLUB'S RESTAURANT

The club restaurant is managed by a great and renowned Chef Giancarlo Morelli who has been able tointerpret together with his team the local cuisine innovating it with his creativity.
Added to this is the atmosphere of the club house.
Mr Morelli, the Chef is also a golfer.
